CASA

Court Appointed Special Advocates
FOR CHILDREN

SEWARD COUNTY

**Invest in
Children Today**

*Providing a powerful
voice for abused and
neglected children
since 1996.*

**CASA Volunteers are
making a lifelong
difference in the lives
of abused children.
You can help too!**

Seward County CASA aims to provide a volunteer advocate for every child who needs one. Your support will bring us one step closer to achieving that goal.

How can you support CASA?

Ways to Give

Make a Cash Donation

Your contribution, no matter the size, can help to change a child's life. Every dollar you donate is used to recruit, train and supervise our volunteers in Seward County. Visit our website to make an online payment.

**Memorial and Honorary
Gifts**

Make a contribution in memory or in honor of a loved one. A card will be sent notifying the family or honoree of your gift.

Gifts By Will or Trust

Leave a legacy of better futures for children by including provisions in a will or a trust document. Donors may designate a percentage or specific dollar amount of their estate to be given to CASA after providing for loved ones. Please meet with your attorney to discuss the ramifications and, if appropriate, to update your will or trust.

Corporate Sponsorships

Sponsorship of Seward County CASA provides an opportunity to bring positive change to the lives of vulnerable children while providing your company with numerous benefits. These include reaching new target audiences, increasing customer loyalty and making a social impact in the community you do business. More than 85% of consumers say they will switch brands, when price and quality are equal, to support a cause. Few, if any, causes have broader or more compelling appeal than coming to the aid of abused and neglected children.

Gifts of Life Insurance

Designating our program as the primary or contingent beneficiary of a new or existing insurance policy is an easy and inexpensive way to give without depleting current assets to make your gift. Assigning ownership of an existing or new insurance policy to our program provides the donor with an immediate charitable income tax deduction for the cash surrender value of the policy and additional income tax deductions as you gift the premium payments in the fu-

ture. The value of the gift is removed from the donor's taxable estate.

**Gifts From Financial
Accounts**

Many financial accounts (savings, checking, CDs, mutual funds) allow payable on death designation. This type of gift allows the donor to name CASA the beneficiary of the account and will provide estate tax savings. The donor retains the right to change or revoke the designations at any time.

Gifts of Securities

In addition to providing CASA with crucial financial support needed to make a difference in the lives of children, you can save on capital gains taxation of appreciated securities. You can donate securities by transferring stock certificates or stock held through a broker. Please speak to your broker for more information on transferring securities. For information on our account for receiving donated securities, please contact our Director at 402-643-3695.
